Toby reported that Christmas at the library was successful with twenty-two children and twenty-four adults present. Ashley Graham assisted Mrs. Cassio in handing out goody bags to the children. The program consisted of a story being read, watching a short video and singing Christmas carols. There was a craft time and lots of delicious refreshments, with hot chocolate and cider being served. It has been requested that no nuts should be in the food next year.

The Summer Reading Program is being planned now.

Donna reported that Athens-Clarke County will be sending the mobile unit to several counties to provide training to local residents. They will offer computer training and at a later time genealogy labs will be available. These labs will be offered on Thursday afternoons in Winterville. In addition near the Pinewoods Branch on North Avenue, English literacy classes, and Spanish classes will be available. Also Puppetry Arts will be offered with passes to Zoo Atlanta, State Parks, etc.

Athens Library will have the dedication for the new addition on April 7, 2013 at 3:30 o'clock. This will be the 100th birthday celebration for the library. President Ann Pressey called the meeting to order. Those present were: Ann, Carol, Dodd, Donna, Leita, Sheila, and Toby. & Linda Jones

The minutes were passed out and approved.

Old business

For Storytime there were about eighty children who participated in February, March and April. There were books that were wrapped with clues indicating which one had been selected, but it was unknown until it was unwrapped. Eddie Whitlock came in February to share urban stories. Dr. Seuss month was lots of fun with several Seuss story times and crafts throughout the month of March. This was an enjoyable time for the children.

Donna gave us a handout with objectives, strategies and focus areas for the libraries. There is a new gallery in the library addition in Athens with new art to be displayed there. There was a dedication ceremony with tours for the new addition. She said that a library is being build in Royston. The mobile unit continues to be helpful to patrons in Athens as well as Winterville.

New business:

Carol made a motion that we ask to be allowed to close the library on the day of the Marigold Festival so that Toby can help at the Bookstore. There was a second by Dodd.

Ashley Graham is being trained to be on call as a substitute for two years.

The next meeting will be held on July 8 and new officers will be elected at that time. New officers will assume roles in October.

Meeting was adjourned at 7:30 p.m.

**Winterville Library Advisory Board Meeting
July 8, 2013**

President Carol Hodges called the meeting to order. The following were present: Ann, Carol, Dodd, Donna, Leita, Linda, Sheila and Toby.

The minutes were distributed and there was a correction to be made. Linda was to be added to those present.

The Marigold Festival was a good day as the Bookstore did well. Some money was made at Victoria State Park to be used for the festival. Children and their parents who attend storytimes participated in the parade at the festival.

Toby said that the Library was closed on Memorial Day. The summer reading program kicked off with a family paint night ~~in the Depot~~. There were thirty-four children present for the event.

Donna reported that the mobile unit will continue. The legislature approved buying some computers, although we don't know the amount that will be given yet. Georgia health insurance has mandated increases for employees and it is expected to be a large amount. We are hoping to get exemptions from SPLOST. The legislature would have increase monies to the library.

The Royston Library is on tract and expected to open in October. The state has given money for the new building and there will be many new rules to follow.

New officers are as follows: Carol, Chair; Dodd, Vice-Chair; Sheila, Secretary; FOWL liaison, Ann, and Athens-Clarke-County liaison, Linda. There will be two openings next spring as Ann and Leita will rotate off the board.

Sheila made the motion that the meeting be adjourned, seconded by Dodd.

The next meeting will be October 14, 2013.

Respectfully submitted,
